

FLY-IN VISITORS

We heartily welcome fly-in visitors!

We don't mind drop in visits, but do appreciate notification in advance.

We are located on Taxiway A (near A4) just about even with the threshold of Runway 16. Taxi right up to the north edge of the grass in front of our building and park on the tarmac. If it is a windy day, there are free transient aircraft tie-downs on the grass just off the taxiway southwest from our lawn that you are welcome to use as well. Normally, there are numerous blue reflectors about 2 feet tall that mark out the edges of our well-kept lawn. Walk across the lawn to our front door!

Para-Phernalia, Inc.

International: 360-435-7220
